

Step 1

Download the CloudCME™ App

Step 2

Launch the App.

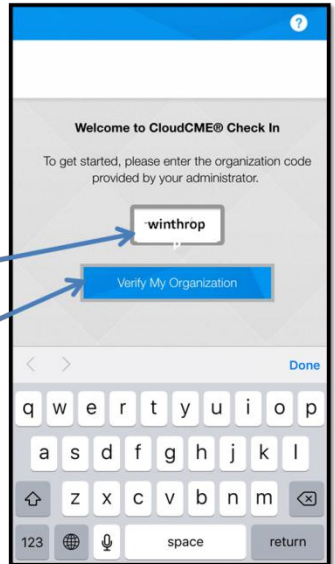

Mobile App Login

Logging into the CloudCME mobile app is a quick process. When you load the mobile app for the first time, it will first ask you to enter your organization code.

Type the code winthrop here.

Click the "Verify" button and you will proceed to the next screen.

Login

Step 3

Here you enter your email/password combination. **First Time Users** should reset their password.

Enter your CloudCME® account email and password. If you do not have an account, please contact your organization.

email@cloudcme.com

.?123 space return

Forgotten your Password?

Enter just your email address into the first field and click the "Email My Login" button

If your address is found in the CloudCME system you will get an automated email with more information

Step 4

Navigation Screen

Once you have fully logged in, the main menu will display your name and organization logo at the top of the screen.

From this screen you can manage your own CME.

The app will remember your login, so you only need to Log Out if you specifically need to share your device with another person.
