## Recertifying CME Series

We are currently in the process of recertifying each annual Regularly Scheduled Series (RSS) for CME credit. RSS series include Grand Rounds, Tumor Boards, Case Conferences, Morbidity & Mortality Conferences, and Journal Clubs.

Why this matters to you: If you attend any of the above types of courses, we need your RSS feedback survey. Not only will you help us meet our annual accreditation requirements, but you can participate in our annual prize raffle when you complete a survey.

Please see the survey at:

**Ever wanted to develop a CME or CE course, video, or activity?**

The CME Office is here to help! "Our Getting Started" video series will aid Activity Directors, Planners and Coordinators of all experience levels and professional backgrounds. "Getting Started" topics were recorded during the "CME/CE 101" lecture series in July-August 2016, and include:

1. **Discovery: Formulating an Evidence-Based Needs Assessment and Learning Gap** [\(view video here\)](#)
2. **Construction: M.A.P.: Measurable, Achievable, Practical Learning Objectives** [\(view video here\)](#)
3. **Design: Learning Modes, Styles and Preferences of the Adult Professional** [\(view video here\)](#)
4. **Assessment: Test Item Writing for Assessing Clinical Professionals** [\(view video here\)](#)
5. **Outcomes: Assessing Impacts of the Education Activity on Practice Change** [\(view video here\)](#)

The CME Office also offers to Planners many [web templates, budget guidance, and roadmaps](#) to assist you in planning CE or CME activities for your profession or inter-professional group. See our Activity Director resources page at [Winthrop.org/CME](http://Winthrop.org/CME).

**But start early!** To assure yourself access to meeting space, accreditation, and any necessary fundraising resources, you should begin your planning process at least 6 months (and if you need to fund it with grants, a minimum of 9 months) in advance of your desired activity date.
